Author/Illustrator
Joan Arlin Hibbs

Since 2004, Joan Arlin Hibbs has published books for adults and children, both fiction and nonfiction, most of which contain her illustrations. After a life as mother, mental health therapist, and consultant, she has settled in her home state of Oregon with her husband, Bob, to continue her creative work full-time. [More...](#)

Joan and her writing companion Sweetie.

"I'm living my dream -- writing and illustrating children's books in the comfort of my Oregon home, with a view of Mt. Hood and crop fields as far as the eye can see."
